Full Benefits Contracts: Provide undergraduate tuition and mandatory fees* at every Michigan public 4-year university. At a Michigan public community college, it provides tuition, contact/billing hour fees and mandatory fees (in-state or in-district)**.

Limited Benefits Contracts: Provide undergraduate tuition and mandatory fees at Michigan public universities whose tuition costs do not exceed 105% of the weighted average tuition cost of Michigan's four-year public institutions. Full tuition benefits would **not** be covered at institutions with tuition costs greater than 105% of the weighted average tuition. Rather, only a percentage of the tuition benefits would be provided for students attending those institutions. At a Michigan public community college, it provides tuition, contact/billing hour fees and mandatory fees (in-state or in-district)**. Michigan public universities whose tuition costs exceed 105% of the weighted average tuition for the 2009-10 academic year are the University of Michigan-Ann Arbor campus (UM-AA), and Michigan State University (MSU). For the 2009-10 academic year MET will cover 24 of 30 credit hours at UM-AA, and 27 of 30 credit hours at MSU.

Community College Contracts: Provide in-district tuition and mandatory fees* when attending a Michigan community college.

*Mandatory fees are those fees which are required to be paid by all students attending a particular university/community college. Application fees and fees which are course specific, such as lab fees for science classes, computer classes, etc., or fees assessed based on the number of credit hours enrolled are not covered.

**MET only pays contact/billing hour fee and out-of-district tuition if the student does not qualify for the in-district tuition rate and only to the extent that the out-of-district tuition, contact/billing hour fees and mandatory fees do not exceed the average tuition of Michigan public 4-year universities.
