1) The estimated figures are based upon the May 16, 2008, Revenue Consensus Conference, the FY 2009 budget, and Executive Order 2009-22. If actual sales tax revenues are different than projected, or the Legislature makes changes to the budget, the distributions will be adjusted.

2) General Fund/General Purpose amounts are for special census payments. There is no funding in Fiscal Year 2001-02 because the decennial federal census will be used and per the revenue sharing act, special census counts cannot occur until 2003. In FY 2003, 2004, 2007, and 2008 there were no special census payments.

3) Amounts may not tie to totals due to rounding.
