Authority Payments

Public Act 532 of 1998 eliminated the Inventory Reimbursement payment usually issued on October 31. This payment was replaced by the amounts paid under the statutory formulas. Through the 2007 State fiscal year, Cities, Villages, and Townships were required to remit the Authority portion of the Inventory Reimbursement payment to Authorities based upon the amount paid October 1998 to Cities and Villages and the amount paid February 1998 to Townships. The revenue sharing act is silent as to when during the fiscal year these payments are to be made to the authorities.
