

GENERAL INDUSTRY SAFETY STANDARDS COMMISSION MISSION STATEMENT AND MEMBER PROFILES

The mission of the General Industry Safety Standards Commission is to provide the leadership and vision necessary to ensure a safe work environment for the people of Michigan.

The Commission involves employees and employers in the development of safety standards as it endeavors to continually examine and improve those standards for purpose, clarity, applicability, enforceability and cost effectiveness.

Our vision is to be a recognized leader in safety for the work environment for the people of Michigan by incorporating the changing needs of new technologies and methods into our standards.
