

Michigan Competitive Scholarship Fact Sheet Academic Year 2008-09

Description

The Michigan Competitive Scholarship program is available to undergraduate students pursuing their first degrees at an approved Michigan postsecondary institution. Students must demonstrate both financial need and merit and eligible applicants must achieve a qualifying ACT score prior to entering college.

Application

Applicants must file the Free Application for Federal Student Aid (FAFSA). Students who file by March 1 will receive priority consideration. Students are encouraged to file their FAFSA on the Web at www.fafsa.ed.gov. Paper forms are available from the Federal Student Aid Information Center by calling 1-800-4-FEDAID, or a printable version can be accessed on the Web site www.federalstudentaid.ed.gov. Students must file a renewal FAFSA every year to determine possible continued program eligibility. **Students are responsible for notifying the Office of Scholarships and Grants (OSG) of a change in their college choice.**

Program Limits

Awards are restricted to tuition and mandatory fees. Awards may pay a maximum of \$1,300 per academic year at a Michigan public college or university, or \$2,100 per academic year at a Michigan independent college or university. Program eligibility ends when a student has received a baccalaureate degree, after completing the equivalent of 10 semesters or 15 terms, or when a student has been out of high school over ten years, whichever occurs first. Future awards are subject to available and approved funding.
