

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

FISHERIES BOAT CAPTAIN SUPERVISOR

JOB DESCRIPTION

Employees in this job supervise and operate gas or diesel-driven vessels used for surveying commercial fishing activities, planting fish, and various research activities including the catching and analyzing of fish.

There are two classifications in this job.

Position Code Title - Fisheries Boat Captn Supv-1

Fisheries Boat Captain Supervisor 9

The employee serves as a first-level boat captain serving as the assistant boat captain for a vessel. The employee may serve as the head boat captain in the absence of the boat captain otherwise, the employee performs the duties identified in support of the boat captain. The employee supervises the activities of Fisheries Assistants and Fisheries Technicians.

Position Code Title - Fisheries Boat Captn Supv-2

Fisheries Boat Captain Supervisor 10

The employee serves as a second-level boat captain with full responsibility for a vessel, serving as the head boat captain. The employee serves as the first-line supervisor for the assistant captain and second-line supervisor for lower-level, subordinate employees.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
