INSTRUCTIONS FOR COMPLETING THE INDEPENDENT EXPENDITURE REPORT

An individual, group or organization that spends more than \$100.00 in a calendar year on “independent expenditures” to support or oppose the nomination or election of a candidate or advocate the qualification, passage or defeat of a ballot question (includes millage issues) is required to file this form as required under Michigan’s Campaign Finance Act, P.A. 388 of 1976.

This form is not filed by a group or organization registered as a committee under the Campaign Finance Act; committees registered under the Act disclose their expenditure on forms specially designed for their use.

Definition Of “Independent Expenditure”:

An individual, group or organization has made an “independent expenditure” if:

- the money was spent to support or oppose the nomination or election of a candidate or advocate the qualification passage or defeat of a ballot question (includes millage issues);
- the money was not spent at the direction of or under the control of a committee registered under the Campaign Finance Act; and
- the money was not given to a committee registered under the Campaign Finance Act.

Filing Information:

- File this form within 10 calendar days after the \$100.01 threshold for reporting independent expenditures is reached.
- To file, submit two copies of the form (one original and one photocopy) to the clerk of the county where the individual who made the independent expenditure(s) resides or where the group or organization that made the independent expenditure(s) is located.
- Submit a separate Independent Expenditure Report each time the \$100.01 threshold for reporting independent expenditures is reached. Do not use this form to report independent expenditures related to more than one candidate or ballot question.

Instructions:

Type or clearly print in ink information on reverse side of this form. Each request for information is discussed below.

- Item 1.** Enter the name of the candidate or describe the ballot question supported or opposed. If a candidate list the office involved, the jurisdiction or district served by the office and the candidate’s county of residence. If a ballot question, indicate whether it is a statewide, county or local proposal.
- Item 2.** Enter the full name and address of the individual, group or organization that made the independent expenditure(s). Also enter the individual’s county of residence or the county in which the group or organization is located.

Groups and Organization: Special Note

A group or an organization must register as a “committee” under the Campaign Finance Act as soon as it spends or receives \$500.00 or more in a calendar year to influence voters for or against the nomination or election of a candidate or qualification, passage or defeat of a ballot question. Certain exceptions apply.
