

MATERIALS SOURCE GUIDE

September 2009

**CONSTRUCTION AND TECHNOLOGY
DIVISION**

FOREWORD

This manual has been prepared to give information and “guidance” to personnel associated with sampling, testing and inspection of materials used in Michigan Department of Transportation and Federal Aid Secondary projects. Its purpose is to “supplement” the Materials Quality Assurance Procedures Manual, Procedures Manual for Bituminous Plant Inspection, Procedures for Aggregate Inspection, Density Control Handbook, and the Michigan Construction Manual to standardize procedures and assure adequate, uniform quality control.

For copies of the most recent Materials Source Guide you can:

Download from the internet at web address:
