The Construction and Technology (C&T) Support Area has revised the Materials Quality Assurance Procedures Manual. All holders of record on file with MDOT’s Publications Office will receive copies of the listed additions and revisions to the manual.

Current copies of the Materials Quality Assurance Procedures Manual, including revisions, may be ordered through the Publications Office at 517-322-1676, or by sending an e-mail request to MDOT-Publications@michigan.gov. It is also available to view, print, and download from MDOT’s Web site under “Maps & Publications.” Printed copies of this and other C&T publications will continue to be available through the Publications Office, and annual updates will be made via the instructional memorandum process. Only the most current content is available on the Web site. Superseded or deleted content is available only in printed format.
