

**MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION**

MENTAL HEALTH SOCIAL WORKER

JOB DESCRIPTION

Employees in this job complete or oversee a variety of assignments to provide case coordination services to residents of state facilities and community-based programs.

There are four classifications in this job.

Position Code Title - Mental Health Social Worker-E

Mental Health Social Worker 9

This is the entry level. As a trainee, the employee carries out a range of professional mental health social worker assignments while learning the methods of the work.

Mental Health Social Worker 10

This is the intermediate level. The employee performs an expanding range of professional mental health social worker assignments in a developing capacity.

Mental Health Social Worker P11

This is the experienced level. The employee performs a full range of professional mental health social worker assignments in a full-functioning capacity. Considerable independent judgement is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

Position Code Title - Mental Health Social Worker-A

Mental Health Social Worker 12

This is the advanced level. The employee may function as a lead worker or senior worker. At this level, employees are responsible for overseeing the work assignments of other professionals or have regular assignments which have been recognized by Civil Service as having significantly greater complexity than those assigned at the experienced level.

NOTE: Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: Listed job duties are typical examples of work of positions in this classification. Not all duties assigned to every position are included, nor will all positions be assigned every duty. The general description of job duties does not authorize performance contrary to any state or federal licensing or certification requirements.

Collects factual information from the resident/client, family, community agencies, and others to be used by treatment team staff.

Coordinates with staff in the development, implementation, and evaluation of the resident's/client's individual plan of service.

Obtains information regarding the services available to the resident/client.

Meets with representatives of community agencies to assist in the development of community support services.

Represents the resident/client in obtaining social, medical and legal services.

Monitors services delivered to client to ensure that individual needs are met.

Interviews clients and prepares statements summarizing the client's perception of the problem.

Prepares applications for financial and program benefits.

Provides resident's/client's family with information regarding resident's/client's progress and treatment options.

Screens clients for community home placement.

Develops and monitors community vocational programs.

Recruits, assesses, and screens potential community vocational providers.

Coordinates placement of clients into community placement programs.

Maintains records and prepares reports and correspondence related to the work.

Performs related work as assigned.

Additional Job Duties

Mental Health Social Worker 12 (Lead Worker)

Oversees the work of professional staff by making and reviewing work assignments, establishing priorities, coordinating activities, and resolving related work problems.

Mental Health Social Worker 12 (Senior Worker)

Performs on a regular basis professional mental health social worker assignments which are recognized by Civil Service as more complex than those assigned at the experienced level.
