

TRANSLATORS RESOURCE LIST

Translators do not have to be on the Translators Resource List to be acceptable, but they must be a community or government agency, attorney, college, university, or *translation-related* business. Translators are **not** certified by the Michigan Department of State. Translators must follow the procedures on the back of the DE-40 form (original letterhead stationery, address of agency, etc.) when providing acceptable translated documents. Translations do **not** need to be notarized.

The agencies listed below may charge a fee for translating documents. Please inform your customer to ask the agency about any fees that they may be expected to pay.

Note: An organization or individual not on this list may provide translations if they meet the requirements listed above. The agencies and information on this list is subject to change without notice. Please check the yellow pages of your local telephone directory under “Translations” or “Translators” for other resources that may be available in your area. Translation services may also be available from local community agencies, attorneys, and government agencies.
