Introduction

This User's Guide is intended for all authorized users of the Nonpublic School Personnel Report (NPSPR) Application. Along with this document, please read the NPSPR Data Field Descriptions and any addenda posted to the NPSPR Web page at www.michigan.gov/cepi. Click on the "Nonpublic Schools” link located under the left navigation bar. The User's Guide is divided into sections to correlate with the online application and includes general information about each field for which data are to be submitted. Instructions for using the data entry system and for creating reports of the data submitted are also in this User's Guide.

General Information

What information is entered into the Nonpublic School Personnel Report?

The NPSPR is designed to collect basic employment elements relating to all nonpublic school personnel. Personnel data must be submitted once each year in the fall. Data are entered and edited online.

Data compiled via the NPSPR will be used to meet the requirements of school safety legislation. Effective January 1, 2006, Michigan law requires that criminal history checks be conducted by the Michigan State Police and the Federal Bureau of Investigation for all regular and contracted employees hired or assigned by public and nonpublic schools.

When is the Nonpublic School Personnel Report due?

The deadline for data submission is December 1, 2015. The application is open from September 1 through December 1, 2015.

Application Startup and Security

Authorized User – Your MEIS Account

The NPSPR Application is available to individuals who first obtain an MEIS account (MEIS account number, user name and password) and then receive authorization via a security agreement application for the NPSPR Application. If you do not have an MEIS account, go to the MEIS website at https://cepi.state.mi.us/MEIS/login.aspx/ (screen below). You may use the same MEIS account number for all MEIS applications, but you must submit a separate security agreement for each application you wish to access.

If you have an MEIS account, but you do not remember your MEIS login ID or password, please go to https://cepi.state.mi.us/MEIS/login.aspx/ to reset your password. If you require further assistance, please contact CEPI customer support at 517-335-0505 x3, or via email at CEPI@michigan.gov.

Create Your MEIS Account

MEIS User Management is a security system for use with all MEIS applications. An MEIS user will need only one account, which will allow access to multiple MEIS applications.

- MEIS accounts are unique to each individual user.
- MEIS accounts must never be shared.
- MEIS accounts remain open forever.

If you do not already have a MEIS account, go to the MEIS website at: https://cepi.state.mi.us/MEIS/login.aspx/ and click "Create a New MEIS Account."

The following screen will appear:

Follow the directions on this page to obtain your MEIS account or to update your account information.

Note: After you establish your MEIS account, do not share your login user name and password with anyone. This is your personal account.
Updating your MEIS Account – Email or Phone Number

If you already have an MEIS account and need to update either an email address or a phone number, please do the following:

Go to: https://cepi.state.mi.us/MEIS/login.aspx/
- a. Log in as an MEIS User.
- b. Click on "View/Update User Profile."
- c. Click "Edit," make changes, and then click on "Update."
- d. Click on "Return to the MEIS Main Menu."
- e. Log out of MEIS.

Security Agreement

After you have established your MEIS account, download the NPSPR Security Agreement from the NPSPR Web page on the CEPI website at www.michigan.gov/cepi. Click on "Nonpublic Schools" located under the left navigation bar. The Security Agreement link is located under the heading titled, Nonpublic School Report (NPSPR). Application security forms are also posted on the CEPI Help and Support Web page at http://www.michigan.gov/cepi/0,4546,7-113-64126---,00.html#login.

Follow the directions on the security form. Once you have completed the NPSPR Security Agreement and it has been processed by the CEPI customer support team, you will receive an email notification that you have access to the application. Once you have security access to the application, you are ready to begin.

Data Submission

Updating Previously Submitted Records

During the Fall 2015 NPSPR Data Submission cycle, all previously submitted personnel records must be updated. There are two methods for updating records reported during the fall 2015 submission cycle.

1) Updating an individual record.

2) Updating multiple records at one time.

Updating an Individual Record

Click on the Personnel Identification Code (PIC) button of the personnel record under the PIC column (illustrated below). The employee's complete personnel record will then appear. Update any necessary data for the employee's record and click "Submit NPSPR for this Employee."
Updating multiple records at one time

If you have returning employees whose records do not require any changes from the previous year, you may check the boxes in the column next to those employees' PICs. After selecting all of the appropriate records, click the "Update Selected Personnel" button that appears on the top of the employee list as illustrated below.

Step 1: Click the box for each record that you want to automatically update.

Step 2: After all desired records are checked, click on the box "Update Selected Personnel" that appears on the top of the employee list.

Click on a PIC number to access an individual record for updating.
After clicking on "Update Selected Personnel," the red "Xs" (✗) will change to green checkmarks (✓), indicating that the records were updated for the current submission cycle.

**Single Submission Form/Submitting New Personnel Records**

To submit a single record, enter the employee's Social Security Number (SSN) in the appropriate box on the Main Menu of the Nonpublic School Personnel Report Application. Each section is described separately. The fields are presented by section as they appear in the online application. Be sure to refer to the NPSPR Data Field Descriptions for complete information regarding the required data elements.

- **Enter New Employee**
  - **Personnel**
    - Enter the Social Security number in the box provided, then click on "Go" to advance to the next screen.

- **Edit Record**
  - To edit a previously submitted record, click on **Personnel Submitted**, and then click on the PIC when the screen appears.

Field 10: Date of Termination/Separation of Employment

This field applies to all employees. This is the date of termination of the staff member. Any staff members who have left the school since the past school year should be reported with a date of termination in this field. When a termination date has been entered for a staff member, the record will be removed from the Personnel Submitted Report within the NPSPR prior to the next data submission.

**Programming edits**: If the date submitted is not a valid date, a fatal error will be reported. The termination date must be on or prior to the submission date. This field must be left blank for all actively employed staff members.

Personnel Identification Code (PIC)

**Field 11: Personnel Identification Code (PIC)**

The application produces the PIC. For new record submissions, the PIC will be assigned when the record is saved. The PIC appears at the top of the online submission screen for each record after the record has been saved.
Saving a Record/Updating a Record

After all data are entered for a record, click on "Submit NPSPR Data for this Employee." The data will then be error-checked and either:

1) Saved as a valid record; OR
2) Reported with an error message(s).

Saved as Valid Record

If the data entered produces a valid record, the following screen will appear:

The PIC is assigned when a new record is submitted.
When the record is saved as a valid record, you may either click on **Personnel Submitted** to view a listing of all of your school's previously submitted employees, or click on **Main Menu** to return to the main menu to submit a new record or to access other options.

**Invalid Record**

If the data entered produces an invalid record, an Error Message Report will appear. The following illustrates a sample Error Message Report:

To make the necessary edits on the record, click on **Return to the Personnel Detail form to correct the errors**. You will then be directed to the submission screen to make the corrections. Once all errors have been edited, click on "Submit NPSPR Data for this Employee" again. If the record is error-free, it is then saved as a valid record. If more error messages are received, repeat the process until all errors are corrected. Only error-free records can be saved.

**Update/Verify a Record**

During each submission cycle, every record must be verified as accurate. Records may be updated/verified at any time during a submission cycle. Go to the Main Menu. Click on "Personnel Submitted."

```
Click on Personnel Submitted.
```
To review a record that has been submitted for the school's personnel, click on the PIC for the employee you wish to review. The Nonpublic School Personnel Report Application screen will appear with the employee's previously submitted data. See the illustrations that follow:

After the employee record is updated or verified, click on "Submit NPSPR Data for this Employee" at the bottom of the submission screen. If the update contains errors, the Error Message Report illustrated previously will appear. All errors must be corrected before the record can be updated.

**Download Nonpublic School Personnel Report Data File**

This selection will provide a downloadable extensible markup language (XML) file of the data submitted for the current submission cycle.
CEPI has received requests from schools to provide a method to download the Nonpublic School Personnel data that your school has successfully submitted to CEPI. As a result of this request, CEPI has provided an option to download a data file. The downloadable data file will be in XML format (.xml file extension). XML is a structured computer language that is used to store data in a text-formatted file. This file may be opened in any text-editor program (e.g., Notepad, Microsoft Word) or Web browser (e.g., Microsoft Internet Explorer, Firefox). It may also be imported to a Microsoft Access database or opened in a Microsoft Excel spreadsheet.

The primary purpose of obtaining this file is to allow your school to have a permanent record of the data that it has successfully submitted to CEPI at any given time. CEPI recommends keeping a record/report of all submitted data.

**The XML data file layout**

The layout below will be used primarily by developers and IT staff members to gain an understanding of how the data are stored in the XML file. A brief description of the data contained in each field is given to the right of the field. The layout is as follows:

```xml
<NonpublicData>
  <PersonnelRecord>
    <PIC>
      <DateOfCount /> - Date (mm/dd/yyyy)
      <Isd /> - Text (NN)
      <School/> - Text (NNNNN)
      <LastName /> - Text
      <FirstName /> - Text
      <MiddleName /> - Text
      <DateOfBirth /> - Date (mm/dd/yyyy)
      <GenderCode /> - Text (A)
      <RacialEthnic>
        <RacialEthnicCode1 /> - Boolean (0 or 1)
        <RacialEthnicCode2 /> - Boolean (0 or 1)
        <RacialEthnicCode3 /> - Boolean (0 or 1)
        <RacialEthnicCode4 /> - Boolean (0 or 1)
        <RacialEthnicCode5 /> - Boolean (0 or 1)
        <RacialEthnicCode6 /> - Boolean (0 or 1)
      </RacialEthnic>
      <DateOfTermination> - Date (mm/dd/yyyy)
    </PIC>
  </PersonnelRecord>
  <PersonnelRecord>
  </PersonnelRecord>
</NonpublicData>
```

**Using Microsoft Access to view the XML data file**

This XML file may be imported into a Microsoft Access XP database, if desired. Please note that this will only work with Microsoft Access version XP or higher. These instructions will not work with Access.
To import your Nonpublic School Personnel Report XML data file to an Access XP database, simply follow these steps:

1. Start Microsoft Access XP and create a new blank database.
2. Name the database whatever you wish.
3. Under the File menu, select "Get External Data," and then select "Import…"
4. In the Import dialog box that appears, find the drop-down list at the bottom labeled "Files of type." Scroll down through that list and select the "XML Documents" option.
5. Locate the saved XML file on your computer, select that file, and click the "Import" button.
6. The Import XML dialog box will appear.
7. Click "OK."

You should get a message box that says "Finished importing document…" Click "OK" and your Access XP database will be set up and contain your school's data.

**Information on the table structure:** The EmploymentData table contains the bulk of the information on the employee, such as the name, birthdate, etc. The RacialEthnic table contains the racial/ethnic codes and values (refer to the NPSPRP Data Field Descriptions for an explanation of the codes). Complete personnel information can be found by using this relationship.

**Using Microsoft Excel to view the XML data file**

The XML data file may also be opened with Microsoft Excel XP as well. Please note that this will only work with Microsoft Excel version XP or higher. These instructions will not work with Excel 2000 or lower. To open your XML data file in Excel XP, simply follow these steps:

1. Start Microsoft Excel XP.
2. Under the File menu, select the "Open…" option.
3. In the Open dialog box that appears, find the drop-down list at the bottom labeled "Files of type:" Scroll down through that list and select the "XML Files" option.
4. Locate the saved XML file on your computer, select that file, and click the "Open" button.

The format will vary depending on the contents of your XML data file, but the fields will be labeled appropriately.
