DEQ POLICY AND PROCEDURES Number: 09-011 (Under revision)
REVIEW AND PROCESSING OF NONFERROUS METALLIC MINERAL MINING PERMIT APPLICATIONS

MINE PERMIT APPLICATION REVIEW TIME LINE
Part 632 Sec. 63205 (4 - 9)

Administratively complete

Public Meeting

PROPOSED
DEQ Toll the clock if necessary to allow time for the DEQ to request additional information and the applicant to respond

Proposed Decision

Public Meeting

Final Decision: Response to Public Comments

Day 1

Day 14

Day 56

Day 70

Day 70-98

Day 84-112

Day 140-168

DEQ can toll the clock until the applicant submits the specified information

Note: From Day 14 to as early as day 70 the DEQ must conduct a technical review, request additional information from the applicant, review the applicant’s response, and issue a proposed decision. During this time Part 632 does not allow for the DEQ to toll the clock. Therefore, if the DEQ is not ready to issue the proposed decision we have to request the applicant grant us permission to toll the clock.

DEQ can toll the clock until the applicant submits the specified information
