MES-ES	133		Martin Emery	Martin Emery Site	Active	2014

PN means permit number / S means Permit suffix (if used)

**STATUS:**

**Active** means mining has occurred in the last year or had the potential to be mined. May be in the process of closing but has not passed reclamation inspection nor has the site bond been released.

**Closed** means mining has stopped, reclamation has been completed and site bond has been released.

**NCM** means not currently mining.
