FINAL AGENDA AND MORE DETAILS TO FOLLOW

Field Deployed CRS Class L278, COMMUNITY RATING SYSTEM

The National Flood Insurance Program's (NFIP) Community Rating System (CRS) is a voluntary incentive program that recognizes and encourages community floodplain management activities that exceed the minimum NFIP requirements. As a result, flood insurance premium rates are discounted to reflect the reduced flood risk resulting from the community actions meeting the three goals of the CRS:

1. Reduce flood damage to insurable property;
2. Strengthen and support the insurance aspects of the NFIP, and
3. Encourage a comprehensive approach to floodplain management.

45175 Ten Mile Road, Novi, Michigan 48375, PH: 248-347-0460

OCTOBER 19-22, 2015
8 AM TO 5 PM WITH LUNCH BREAK FROM 12-1 PM

The class has been pre-approved by ASFPM for 12 CECs (the maximum allowed for a year)

Prerequisites: L278 is an official class of FEMA’s Emergency Management Institute. In order for graduates to receive an EMI certificate, they must meet the course requirements:

___ Be a Certified Floodplain Manager (CFM), OR
___ Have completed the E/L 273, Managing Floodplain development through the National Flood Insurance Program (NFIP) course, OR
___ Be a full-time floodplain manager with more than 2 years of full-time floodplain management experience.
