

## Instructions to Clear Java Jar Cache

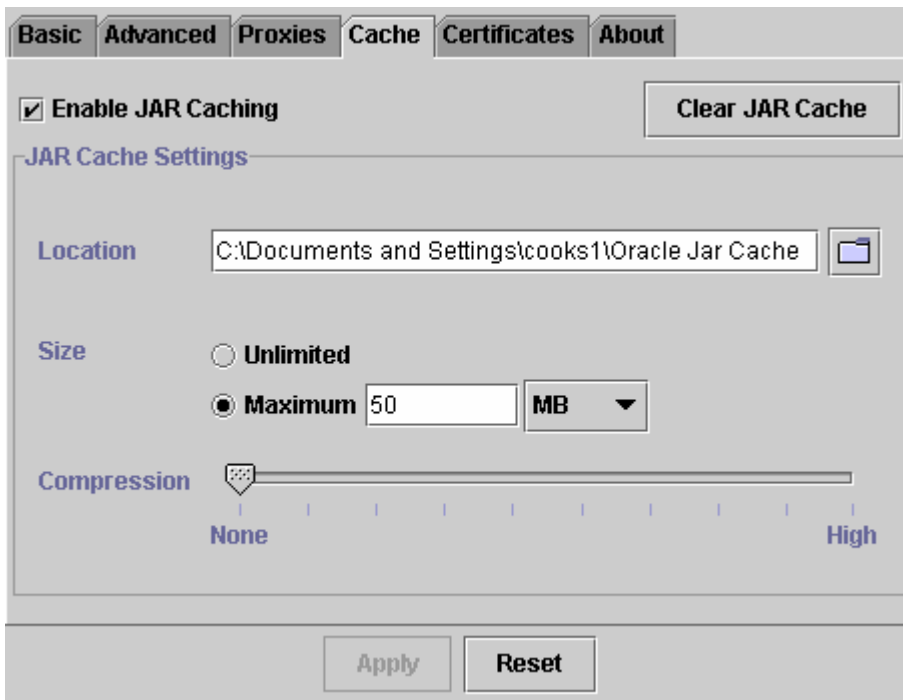

If you are having problems connecting to E-Quote you will need to clear your Java JAR Cache. By following the instructions below you will again be able to connect to E-Quote.

Click > Start > Settings> Control Panel

Right click JInitiator 1.3.1.26 and select Open

The following decision box will appear:

Click the Cache tab and then the “Clear JAR Cache” button and close decision box and Control Panel box.

You will now be able to open E-quote and proceed as you normally would.
