Instructions for Application for School Building Projects and Plan Examination

This application is designed to be used only for schools defined as kindergarten through 12th grade

Facility Information: Provide all requested information. Mark the appropriate box (city, village or township) and state the name of the governmental subdivision where the project is located; not the post office location.

Submittal: Indicate what is being submitted and provide the appropriate project and submission numbers. The submission numbers are critical when linking this submittal with a previous submission for the same project.

Building Data: Provide all requested information. The building use, construction type and number of occupants shall be as prescribed by the building code. If the project cost is less than \$15,000.00, check the box.

Plan Review Request: Indicate the desired plan reviews for Construction Codes and/or Fire Safety.

Building Owner: Provide the requested information.

Project Architect/Engineer/Certified Firm: Provide the requested information.

Applicant: Provide all requested information with an original signature. All correspondence will be sent to this address and this entity will be responsible for all fees.

Required Submittals for Plan Review

For each facility, submit completed application, the appropriate deposit fee made payable to the **State of Michigan** and the required number (from front of application) of construction documents with **original seals and signatures** in accordance with 1980 PA 299. Fire sprinkler shopdrawings and computations are not required to be sealed by a design professional. The review fee will be calculated based on the approved fee schedule and the balance due shall be billed to the applicant. See Construction Code Fee Schedule at www.michigan.gov/bcc, Forms, Plan Review Division.

Required Deposit and Construction Documents

Project Type	Fee	Construction Documents
Construction Code & Fire Safety Reviews	\$255.00 deposit	3 sets
Construction Code Review Only	\$100.00 deposit	2 sets
Fire Safety Review Only	\$155.00 deposit	1 set

Fire Safety Fee Schedule

<u>Estimated Project Cost Range</u>	<u>Fee</u>
\$101,000.00 or less	Minimum Fee of \$155
\$101,001.00 to 1,500,000.00	\$1.60 per \$1,000
\$1,500,001.00 to 10,000,000.00	\$1.30 per \$1,000
\$10,000,001.00 or more	\$1.10 per \$1,000 - Maximum fee \$60,000

Building Code: Site plan, foundation plan, soil bearing capacity, floor plans, accessibility requirements, building elevations, building sections, framing plans, details, approved design numbers for fire resistant assemblies, roof plan, roof finish schedule, door schedule, structural live and dead loads.

Electrical Code: Plans for all electrical systems using more than six (6) circuits, shall include lighting layout, circuiting, switching, conductor and raceway sizes, wattage schedule, service location and riser diagram, load calculations, appropriate plans showing standard symbols of all electrical equipment.

Plumbing Code: Site plan, floor plans, DWV riser diagrams and water distribution system and roof plan. Show direction of flow, pipe sizes, grade of horizontal piping, elevations, drainage fixture unit loading of both stacks and drains in the DWV system, supply fixture unit load for the water system, branch supplies serving more than one plumbing fixture, appliance or hose outlet.

Mechanical Code: Plans indicating heating equipment, air conditioning equipment, ductwork material and layout, fire dampers, ventilation of rooms and areas, location of chimneys and vents, piping layouts.

Energy Code: Floor plans, building sections, details, average annual degree days, exterior envelope component materials, "U" values of elements, "R" values of insulating materials, size and type of apparatus and equipment, energy calculations.
