# Michigan Fishing Ad-Libs

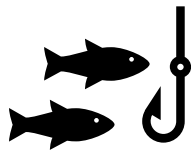

## Complete the story:

It was a beautiful, \_\_\_\_\_ (1) day and I decided to go fishing. I gathered the appropriate gear, including my fishing rod, \_\_\_\_\_ (2), cooler, \_\_\_\_\_ (3), and of course my favorite \_\_\_\_\_ (4).

I called my favorite fishing buddy - \_\_\_\_\_ (5) and we headed out to Lake \_\_\_\_\_ (6). The water was a nice \_\_\_\_\_ (7) color and there were lots of other people on the water \_\_\_\_\_ (8), \_\_\_\_\_ (9) and swimming.

We put worms on our hooks, cast out our lines and caught a big \_\_\_\_\_ (10). It measured \_\_\_\_\_ (11) inches, so we took a moment to take a photo of our catch before we put it back in the water.

During our fishing trip we caught many more fish and even saw some other unique things, including a \_\_\_\_\_ (12), \_\_\_\_\_ (13) and even a \_\_\_\_\_ (14)!

It was such a great day on the water – I can't wait to go again sometime soon!
