Project WET Workshop

Water Education for Teachers

Participants will learn how to promote awareness, appreciation, knowledge and stewardship of water resources through the dissemination of classroom-ready teaching aids.

Who: Teachers, non-formal educators, and anyone interested in learning about water education and how to help individuals develop a better understanding of water resources.

When: Saturday, November 7, 2009; 9:00 a.m. – 3:30 p.m.

Where: Wolf Lake State Fish Hatchery Visitor Center, 34270 C.R. 652, Mattawan, MI 49071 just 8 miles west of Kalamazoo.

Cost: \$25 workshop fee includes program activity guide, please bring an additional \$5 for lunch. Payment is due on day of workshop. Cash and check are acceptable forms of payment. Please make workshop fee checks out to GVSU-AWRI and lunch checks out to the State of Michigan.

Pre-registration is required.

For more information and to register, please contact:

Shana McMillan at 269-668-2876 or by email at mcmillans1@michigan.gov

This workshop is a collaborative effort between the Michigan Department of Natural Resources, Office of Communications and Project WET, an award-winning 501(c)(3) nonprofit organization that has dedicated itself to the mission of reaching children, parents, teachers and community members of the world with water education.

Please dress appropriately for weather conditions. Some activities will take place outside, rain or shine.
