Re: State Boundary Commission Docket #10-I-2
Incorporation of the Village of Dexter as a Home Rule City
Information for Public Hearing - January 17, 2012

Dear Mr. O'Brien:

We look forward to having representatives of the State Boundary Commission and your office in the Village of Dexter on January 17, 2012 for the public hearing on the ultimate Cityhood Boundary. As you and the Boundary Commission are aware, the Village of Dexter and Webster Township have discussed a harmonious ultimate boundary that is different from the boundary that the Village submitted in its current petition. On behalf of our two communities, we wanted to provide you and the Commission with copies of the alternate boundary that we intend to present together at the public hearing. We have included the following information for your use and distribution to the Commissioners ahead of time:

1. A legal description and map of the alternate boundary that we intend to present at the meeting. Please note that this alternate boundary is the same boundary that we previously shared with you and the Commission prior to and at the November 17, 2011 SBC meeting.
2. A legal description and map of the "triangular shaped property" that is proposed for the purpose of achieving contiguity between the two 425 properties in Webster Township that have already been conditionally transferred to the Village (more commonly known as the Cedars of Dexter and Westridge Subdivision).

The alternate ultimate boundary that we will be presenting for your consideration at the public hearing does not include the majority of the Gordon Hall property (only the triangular shaped piece necessary for contiguity) or any of the Mill Creek Sporting Goods property that was included in the Village's original petition. The Dexter Area Historical Society, which is the owner of the Gordon Hall property, has reviewed this alternate boundary and finds it acceptable. We have copied the DAHS on this letter so that they are also aware of this communication.

We appreciate the role of the Boundary Commission and your office in this process and want you to understand that the Village of Dexter and Webster Township have worked

closely, and in cooperation with the one affected property owner, to find a harmonious ultimate boundary. Please share this letter and the information we have attached with the State Boundary Commission. We look forward to seeing everyone in Dexter next week.

Very truly yours,

Shawn W. Keough
Village of Dexter President
