Out-of-State Exhibitors of Swine

1. Swine imported into Michigan for exhibition shall be accompanied by an official interstate health certificate or official certificate of veterinary inspection prepared by an accredited veterinarian from the state of origin and must have official identification.

2. Importation of swine vaccinated against pseudorabies is prohibited except upon a special permit issued by the director.

3. A person shall not bring swine into this state from auction sales or other collection facilities where slaughter swine are handled.

4. A person shall not import or release live feral swine or any crosses of feral swine in this state for any purpose without permission from the director, due to invasive species order in place by the Michigan Department of Natural Resources.
