

MDCH has identified a difference in the way that the legacy MMIS system and CHAMPS reports the payment for providers that receive Medicaid Interim Payments (MIP) or are Warrant Suppressed.

Currently, the approved amount for any MIP or Warrant Suppressed claim lines will incorrectly show as \$0.00 within the 835 and Paper RA. For the 835, each individual line will report this approved amount within the CAS segment with Claim Adjustment Reason Code (CARC) 94, Processed in Excess of charges. This is the only time MDCH will use CARC 94, therefore any claim that has CARC 94 within the 835 will be for a MIP or Warrant Suppressed claim. The approved amount within the Claims Inquiry screen in CHAMPS will show the actual approved amount.

MDCH will be fixing this information to have it report correctly as soon as possible and will send out another update as soon as this issue is resolved. If you have any questions, please contact Provider Support at 1-800-292-2550 or ProviderSupport@michigan.gov.
