Authorized Users
You are responsible for all authorized transactions initiated and fees incurred by use of your Card. If you permit another person to have access to your Card or Card number, we will treat this as if you had authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of each Card according to the terms and conditions of this Agreement.

Secondary Cardholder
You may request additional Cards for use by any of your eligible dependents. There is no limit to the number of cards you can request. You must notify us to revoke permission for any person you previously authorized to use the Card. If you notify us to revoke another person’s use of the Card, we may revoke your Card and issue a new Card with a different number. You remain liable for any and all usage of an additional Card you authorize.

Personal Identification Number
You will not receive a Personal Identification Number ("PIN") with your Card Account.

Cash Access
You may not use your Card to obtain cash from an Automated Teller Machine ("ATM"), Point-of-Sale ("POS") device, or by any other means. You may not use your Card at an ATM.

Loading Your Card
You may not load additional funds to your Card, called "value loading." Only your "Program Sponsor" may load additional funds to your Card. The minimum amount of the initial value load is $1.00. The minimum amount of each value reload is $1.00. The maximum amount of the initial value load is $999,999.99. The maximum amount of each value reload is $999,999.99. You will have access to your funds no earlier than the start of your Program Sponsor’s Plan start date or upon eligibility as described in the Plan documents.

Using Your Card/Features
The maximum amount that can be spent on your Card per day is the available balance on your Card Account. The maximum value of your Card is restricted to $999,999.99. The Card allows you to make purchases based on the available balance associated with your Plan. You may use your Card to pay for eligible health care expenses ("Eligible Expenses") at merchants that sell products and services that qualify as Eligible Expenses and that accept Visa Debit cards ("Eligible Merchants") as long as you do not exceed the value available on your Card Account. Note: The Card cannot be used wherever Visa Debit cards are accepted. If you do not wish to use the card, you may be able to obtain reimbursement of Eligible Expenses by means of a paper claims process.

You have received the Card as a means of convenient and secure access to a fixed dollar amount representing the available balance in your Plan. You agree that (a) you are a U.S. citizen or legal alien resident in one of the 50 U.S. states or the District of Columbia and have a verifiable U.S. mailing address; (b) you are at least 18 years of age; (c) you will not use or attempt to use the Card to make purchases other than for Eligible Expenses from Eligible Merchants; (d) you will not engage, or attempt to engage, in one or more transactions that exceed the dollar amount of the balance on our records associated with the Card; (e) you will repay us, upon demand, any amounts that represent purchases other than for Eligible Expenses from Eligible Merchants or that exceed the amount of the balance on our records associated with the Card. You will be deemed to have accepted the Card and the terms and conditions of this Agreement if you do any of the following: (a) activate the Card, (b) sign the back of the Card; (c) use the Card; or (d) receive the Card pursuant to your request. Your Card may be suspended if you fail to abide by the above rules. You will be notified if there is any action you can take to earn back your Card privileges. You must surrender a revoked Card and you may not use an expired or revoked Card. Upon revocation, any balance associated with the Card will remain available to you for reimbursement of Eligible Expenses by means of a paper claims process. Your Card will expire at the earlier of: (1) the expiration date indicated on the front of the Card, or (2) the date you discontinue coverage under all associated Plans. Upon expiration, any balance associated with the Card will remain available to you for reimbursement of Eligible Expenses by means of a paper claims process in accordance with the rules of the Plan. Some merchants do not allow cardholders to conduct split transactions where you would use the Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Card to the merchant. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping your Card, your Card is likely to be declined. Any preauthorization amount will place a "hold" on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount. If you use your Card number without presenting your Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make on your Card. Your Card cannot be redeemed for cash. You may not use your Card for online gambling or any illegal transaction.

Each time you use your Card, you authorize us to reduce the value available in your Card Account by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount in your Card Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Card, you shall remain fully liable to us for the amount of the transaction and any applicable fees. You do not have the right to stop payment on any purchase or payment transaction originated by use of your Card. You may not make preauthorized regular payments from your Card Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days.

Returns and Refunds
If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds and agree to the refund policy of that merchant. If you have a problem with a purchase that you made with your Card, or if you have a dispute with the merchant, you must handle it directly with the merchant.

Card Replacement
If you need to replace your Card for any reason, please contact us at www.wageworks.com on the internet, or by calling 1 (877) 924-3967 to request a replacement Card. You will be required to provide personal information which may include your Card number, full name, transaction history, etc.

Charges Made In Foreign Currencies
If you make a purchase in a currency other than the currency in which your Card was issued, the amount deducted from your funds will be converted by Visa U.S.A. Inc. into an amount in the currency of your Card. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa U.S.A. Inc. from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Visa U.S.A. Inc. itself receives, or the government-mandated rate in effect for the applicable central processing date. If you make a purchase in a currency other than the currency in which your Card was issued, the Issuer may assess a foreign currency conversion fee of 3% of the transaction amount and will retain this amount as compensation for its services.
Receipts
You should get a receipt at the time you make a transaction using your Card. You agree to retain your receipts or copies of your receipts to verify your transactions, for your tax records, and for possible Card use verification.

Card Account Balance/Periodic Statements
You are responsible for keeping track of your Card Account available balance. Merchants generally will not be able to determine your available balance. It's important to know your available balance before making any transaction. You may access your available balance by accessing your Card Account online at www.wageworks.com or by calling 1 (877) 924-3967 seven days a week, twenty-four (24) hours a day. In addition to the available balance you may also access your activity online which will show all debits and credits posted to the Card for that period. You will not automatically receive paper statements. You may choose to have a paper statement mailed to you by contacting us each time at 1 (877) 924-3967.

Fee Schedule
The administrative fees for this Card have been paid for by your employer.

(8) Any other exception stated in our Agreement with you.

Your Liability for Unauthorized Transfers

Inc.
