

Michigan 2012-2013 ACT Online Prep School Version Order Form – Revised 5/4/12

The Michigan Department of Education has entered into an agreement with ACT to provide the ACT Online Prep Program to Grade 9-12 students in public and non-public high schools in Michigan at no cost to your school or district.

You may sign up for this service through August 31, 2012. All school site licenses will be valid from approximately one week from receipt of the order form at ACT through September 30, 2013.

Please provide the information below for your school, then return to ACT by email or fax. Once ACT has received and processed your order form, the site administrator designated below will receive an email from ACT about how to set up the ACT Online Prep Program. An online User's Guide provides program details.

If you have questions, please contact ACT Customer Services 1-800-498-6065 or ACTonlineprep@act.org, or see the FAQ posted to www.michigan.gov/baa.

**Please do not complete this form if your school currently has an ACT Online Prep license. Your school's site license will be renewed automatically by ACT, and will be valid through September 30, 2013. ACT will not issue an invoice for this renewal.*
