Design of Pump Station Rehabilitation at 3 Locations
JN 103728C

Question 1: Would there be an opportunity to visit each of the pump station?

Answer 1: D12 of 82112, M-10 at Woodingham Street will be opened on June 2nd, 2009 from 10:00 AM to 12:00 PM. This station is located along northbound M-10 service drive between Woodingham Drive and Greenlawn Avenue in Detroit.

Please note that only individuals with appropriate safety gears will be allowed inside the pump station.

Question 2: Will the due date need to be changed due to scheduled furlough leave for the State of Michigan?

Answer 2: The due date has been extended to June 22, 2009 due to the furlough day on June 19, 2009 because the office will be closed on June 19, 2009.
