NOTICE OF BUILDING CASUALTY LOSS OR DAMAGE

The Michigan State Housing Development Authority (MSHDA) should be notified if the loss results from a major event such as fire or flood, the loss results in a household being transferred or removed from the unit, or if an occupied unit will not pass a Uniform Physical Conditions Standards (UPCS) inspection for more than 48 hours.

Internal Revenue Code Section 42(j)(4)(E) states that buildings which are allocated tax credits are protected from recapture of credits due to a casualty loss to the extent such loss is restored by reconstruction or replacement within a reasonable period. Low-Income Housing Credit Owners must report the casualty loss of a building to MSHDA within 30 days of the loss. **Complete a separate form for each building** and submit to the address below:
