ADDITIONAL REQUIREMENTS:

Michigan State Industries thanks you for your order and is pleased to serve you. We must point out certain nonnegotiable items. A person that places an order for products that are subject to local, state, or federal legal restrictions warrants to Michigan State Industries that he or she, or the organization he or she represents is authorized to make such a purchase. Michigan State Industries restricts the sale of products that identify the holder or wearer of such products as a member of a law enforcement agency. Therefore, we may verify employment of the person ordering a Michigan State Industry Product.

All sales are subject to the laws of the State of Michigan. Michigan State Industries reserves the right to accept or reject any and all orders regardless of the manner in which the order was made. No change, modification or revision of your order will be valid unless agreed to in writing by Michigan State Industries.

If you have any questions or concerns about a product we have, or a product we don't have, don't hesitate to call or write us. Again, while changes exist, it is Michigan State Industries intent to serve you to the best of its ability.
