BACK AT OUR 2009 LOCATION!

“Unraveling the mystery of the MSA and the new Medicare reporting requirements”

Even the most seasoned of workers' compensation professionals have a degree of uncertainty when it comes to determining and applying the Medicare set aside component. Let's add on the recent changes in employer reporting and it become a virtual *whodunit*...or “whosdoingit” for organizations that want to ensure compliance.

Our presenters will assist you in decoding this complex issue and provide you with an opportunity to gain an understanding of the requirements, without the aid of a interpreter .

Please join DMEC as our expert presenters provide you with clues to unlock the mystery of the Medicare process.
