

PUBLIC HEALTH AND SAFETY ADVISORY:

VOLUNTARY PRODUCT RECALL

In the interest of public health and safety, Exhale Systems Inc (AU-P-0000495) of Detroit, in conjunction with the Cannabis Regulatory Agency, is conducting a [voluntary recall](#) of vapes offered for sale in the Michigan market.

Various flavors of BLOOM Classic and BLOOM Live brand vape cartridges contained Medium Chain Triglyceride Chain (MCT) oil and should not be consumed.

Exhale Systems Inc has identified sales locations that have this product in their inventory and are working with stores to retrieve and dispose of any recalled product in stock.

Sales locations have posted signs advising consumers to return this product to the sales location from which it was purchased or dispose of it.

The impacted products include the following strains: Alien Jack, Blue Dream, Cereal Milk, Champagne Kush, Durban Gelato, Face Off OG, Forbidden Fruit, Green Crack, Jack Herer, Maui Wowie, Pineapple Express, Pineapple Sherbert, Rainbow Runtz, Skywalker, White Widow.

Example Images:

Consumers who purchased these flavors of BLOOM vape cartridges any time after September 1, 2024 should check the Metrc Tag number on the package label and compare it to the recalled Metrc Tag numbers found on the CRA website [here](#).

This information is also accessible by scanning this QR code:

Consumers with a recalled vape should return it to the sales location from where it was purchased or dispose of it safely.

Consumers who have experienced adverse reactions after using these products should report their symptoms and product use to their healthcare providers. Consumers are encouraged to also report any adverse reactions to marijuana product to the CRA via the [Adverse Reaction Form](#) or by phone at 517-284-8599.

A licensee who becomes aware of any adverse reactions to a marijuana product must notify the CRA and enter the information into METRC within one business day.
