Circuit Court Judge Retired

SPECIAL CIRCUMSTANCES AWARD

Case Name : Opioid Special Circumstances Fund: First Application Period
Our File #: 12-1-23-4300

On December 1, 2023, the above matter was heard by **Judge Daniel P Ryan (retired)** and he acknowledges that he has heard presentations by the Village of Beverly Hills, Clinton Township, Flint Township, City of Flint, City of Farmington Hills, City of Detroit, Genesee County, and DWIHN and has read all materials and exhibits submitted. The parties have agreed and intend that this award is a full and final resolution of distribution of special circumstances first application period funds. Based upon the presentations and evidence presented, the full and final award in this matter provides as follows:

Exhibit A is a table that calculates those estimated funds available for annual distribution from the special circumstances fund which have been compiled from available public documentation. Exhibit B are those amounts requested by each entity at the December 1, 2023 hearing. The parties collectively requested substantially more than twice what would ever be available on an annual basis from the special circumstances fund. Some entities asked for a specific annual amount. Other entities asked for an annual percentage of available funds, for example, two entities asked for approximately 1/3rd of annual available funds and another entity which did not receive any previous funding requested 100% of all annual special circumstances funding to the exclusion of all others. Those percentage requested were converted to a dollar figure in Exhibit B and compared to what would be the estimated available funds for that year. Those numbers were then used to calculate the overall dollar amounts requested annually. When calculated, demands far exceeded the estimated annual fund availability by more than double each year as demonstrated in Exhibit B. Exhibit C are the final percentages awarded by Judge Ryan for each entity based upon the annual available special circumstances fund for the first application period through 2030.

Exhibits A, B and C are incorporated into this award by reference.

I do hereby attest and affirm that I am the person who has rendered and executed this instrument as my award in this matter.
