5. Following an investigation, the CRA determined that Respondent violated the MRTMA and/or administrative rules promulgated thereunder as set forth below:

- c. The RO observed the glass door behind the sales counter was not secured and did not possess a commercial-grade lock at all. Marijuana products were being stored in the unsecured area labeled "shelving" with the glass door propped open.
- d. On June 12, 2024, a CRA Regulation Agent (RA) conducted a compliance visit at Respondent's adult use retailer establishment to follow-up on the failed semi-annual inspection. The CRA RA confirmed the doors were locked. Also, the required notification and reporting form for the construction and modifications was completed on May 22, 2024.
