

Greenroom Gardens, LLC

AU-G-B-000282

AU-G-C-000910

AU-R-001030

This entity qualifies for the Bronze level tier of
the Social Equity All-Star Program

Social Equity Plan

Greenroom Gardens is committed to promoting and encouraging participation in the legal marihuana industry by people from communities that have been disproportionately impacted by marihuana prohibition and over enforcement.

Greenroom Gardens would not exist without social equity, and we will continue to fight and champion for better opportunities, for diversity and inclusion within the legal space for all people while positively impacting those communities, in which we operate.

Greenroom Gardens will partner with other local resources to do the following:

- A. Educate the community in which we operate about Social Equity, and Aid, free of charge, individuals who wish to apply for the Social Equity Program.
- B. Have a concentrated effort to hire from within communities that have been disproportionately impacted by the marihuana prohibition.
- C. Partner with The Higher Learning Institute of Muskegon to provide training space for students looking to complete Cannabis training. This is highly critical toward future employment success, lecture is one thing, but providing an environment for hands on, will provide a real and measurable increase in employment potential.
- D. Provide free mentoring for individuals looking to become licensed in the legal Adult Use market.
- E. We will continue to be a good community partner while promoting Social Equity, Diversity and Inclusion, Social Justice, and Cannabis banking reform.
