STRATEGIC COMMAND & THE TACTICAL BOSS

Brian Kazmierzak & Brandon Chiarello

This course is a deep dive into the WHY of Strategic Fire Command and to help drive departments towards the concept and being in compliance with the Berrien County Fire Chiefs ICS Guideline. This class is 100% compliant to the BCFCA guideline

This class will look at how BHDPS and LCTFD have both embraced the Strategic Command and Tactical Boss concept. Additionally, we will discuss the Berrien County Incident Command Policy and how it integrates with Blue Card Incident Command.
