

SUCCESS AFTER HIGH SCHOOL: WE CAN HELP YOU!

If your road to success includes college or vocational training, support is available.

Our team works with eligible students to provide educational-related planning, training and support.

Our individualized services help students get the education and training they need to secure employment in meaningful careers - and lifelong success well beyond high school!

We partner with local school systems, the Michigan Career and Technical Institute, vocational training schools, community colleges, and four-year universities to support students throughout Michigan.
