

YOUR FUTURE BEGINS HERE!

The Michigan Department of Transportation (MDOT) Transportation Diversity Recruitment Program (TDRP) offers Historically Black College and University (HBCU) students hands-on experience in civil engineering and other opportunities toward a career in transportation.

Michigan Department of Transportation

TDRP

Transportation Diversity Recruitment Program

What is TDRP?

- An on-the-job training experience offered by MDOT and Michigan colleges for students pursuing degrees in engineering and transportation careers.
- A way for the department to recruit and train underrepresented students to the transportation industry.

What's in it for you?

- Real world experience.
- Learn what's involved in being a professional engineer.
- Create a professional network.
- Resume building.
- Put what you're learning in the classroom to work in the field.
- Mentoring opportunities.
- Start down a path to long-range career goals.

Explore career opportunities

- Learn how you can earn a graduate or dual degree from Michigan schools.
- Work in the public and/or private sector.
- Earn money for college.
- 12-week program: May - August.
- Opportunities to partner with the American Council of Engineering Companies (ACEC).

Get experience!

- Assist engineers
- Design
- Construction
- Inspections
- Soils testing
- Surveying
- Project management
- Transportation planning

See the MDOT Internship Program website for specific duties:
www.Michigan.gov/MI-TDRP
