Michigan Independent Citizens Redistricting Commission
Proposed Amendments to the Rules of Procedure
Notice of Change: February 24, 2022
Presented for Approval on March 10, 2022

RESOLVED, that the Michigan Independent Citizens Redistricting Commission (MICRC) amends its Rules of Procedure, dated January 13, 2022, as follows:

1. Strike 1.2.A. Freedom of Information Act definition, and re-letter remaining definitions.
2. In section 4.6, last sentence, replace “shall” with “may” and the word “FOIA” with “Public Record”, so the sentence reads, as follows: “General Counsel *may* act as parliamentarian of the Commission and serve as its designated **Public Record** coordinator in lieu of the Executive Director.”
3. In section 12.1.D. change references for time allotted for public comment at a meeting of the Commission from “a one (1) minute time restriction” to “a two (2) minute time restriction”, and change timekeeping from “one minute has expired” to “two minutes have expired”
4. Strike Section 13.1.B. “*All Commission records are available to the public for reading, copying and other purposes as governed by the Freedom of Information Act, except those specifically exempted under applicable laws including but not limited to FOIA. The Executive Director delegates the responsibilities of the role of FOIA Coordinator to the General Counsel of the Commission. The Commission shall adopt a policy to respond to FOIA requests.*”
 Adopt new language for Section 13.1.B, as follows: “Commission records are public, pursuant to the *Public Record Request Procedures and Guidelines*, as amended March 10, 2022. The Commission has assigned the responsibilities of Public Record Coordinator to the Executive Director of the MICRC to handle or to delegate, or in the absence of an Executive Director, the Secretary of State in its constitutional role as nonvoting secretary to the MICRC.”
