Per the HOME-ARP Notice, MSHDA is required to obtain an application for funds, including supporting documents in accordance with [2CFR 200.302](#). This application ensures that MSHDA HOME-ARP supports this requirement for each Continuum of Care (CoC) and Local Planning Body (LPB) and enhances the strategic use of funding for identified needs and priorities. Each CoC/LPB will detail its approach to service and funding coordination, partner collaboration, and effective referral processes as a strategic response to identified needs within each homeless crisis response system.

Instructions

Each CoC/LPB must work collaboratively to complete this document in its entirety. **Please submit the HPP Application and MOU to Morgan Quinney-Naval, Supportive Services Analyst, subject line: HPP Application [COC/LPB]**. Submissions will be accepted via email only. The Supportive Services Analyst will provide email confirmation of receipt by the stated deadline. Email confirmation only confirms receipt of the sent documents; it does not indicate a thorough review has been completed. Following review of the submitted HPP Application, the Supportive Services Analyst will provide individualized feedback and/or technical assistance as needed.
