

Semi-Permanent Monitoring Well  
 Temporary Monitoring Well

**PFOA Concentration (ng/L)**  
 (Outlines dashed where inferred)

- 8 - 170
- 170 - 500
- 500 - 1,000
- 1,000+

50 PFOA Concentration (ng/L)

- NOTES:**
- Samples at all MW-X and TW-X locations collected between April 20, 2022 and April 26, 2022.
  - Samples at TMW-1 and TMW-2 collected on June 27, 2022.
  - Contours have been linearly interpolated based on highest sample concentration at each nested location.
  - ND = Non-Detect
  - NS = Not Sampled

| Exceedance Criteria                                 | PFOA (ng/L) |
|---|-------------|
| Groundwater Surface Water Interface Criteria        | 170         |
| Residential/Non-Residential Drinking Water Criteria | 8           |
