PREFACE

AD VALOREM PROPERTY TAX LEVY REPORT

Act No. 332, Public Act of 1993, which became law on December 31, 1993, changed the way local assessors reported their tax levy information to the Property Tax Division beginning in the 1993 tax year. Prior to that year, local assessors reported Ad Valorem property taxes on one report. This report was used to compute both the statewide average tax rate and to provide the basis for revenue sharing payments. Beginning with the 1993 tax year, the change in the law required the assessor to file two reports; one to report the State Equalized Value of all classes of property, real and personal, and another to report the the State Equalized Value of Commercial, Industrial, and Utility classifications of property only.

On March 15, 1994, Proposal A was adopted by Michigan voters. Prior to Proposal A, State Equalized Value (SEV) was used in calculating property taxes. As established by Proposal A, beginning with the 1995 tax year, and continuing with the 1996 tax year, TAXABLE VALUE is used as the base for calculating property taxes and is used instead of SEV throughout this book.

County, township, city, and village Taxable Values, millage rates, and tax levies are included in this book. School district information (K-12, Intermediate School District, and Community College) is not used to compile the revenue sharing tax effort database and was not included in the totals of the 1994 Ad Valorem Property Tax Levy book. Many of you have expressed a need for school tax information, so it has been included in the books for 1995 and 1996.

The State Education Tax of 6 mills is included in the county information pages in this book. It is also included in the 1995 tax year information on page 2.

For information based on Commercial, Industrial, and Utility property, please refer to the STC book entitled, "Commercial, Industrial, and Utility Property Tax Levy Report".
