State Tax Commission Electronic Signature Policy

“1. An individual desiring to use an electronic signature on a Real or Personal Property Statement shall first properly complete Form 3976, *Electronic Signature Declaration for Real and Personal Property Statements*, and submit this form to the Property Services Division of the Michigan Department of Treasury. This form is hereby incorporated as part of the State Tax Commission procedure for acceptance of electronic and facsimile signatures by local tax collecting units. . .

2. The Property Services Division will review the submitted form and, if properly completed, will issue a personal identification number by conventional mail to the individual who signed the form. **Personal identification numbers are to be treated as confidential information** (to be disseminated only for use in the assessment process) and will not be issued over the telephone. Upon written request, personal identification numbers may be issued by facsimile or by electronic mail.

3. Upon receipt of the personal identification number form from the Property Services Division, an individual may use the number in lieu of his or her actual signature on Real and Personal Property Statements which are filed electronically, until expiration of the personal identification number. Personal identification numbers will expire one year from the date of issuance.

4. Personal identification numbers can be verified after their use by assessment administration personnel by completing Form 3979, *Request for Verification of Personal Identification Number Used on a Real Personal Property Statement*, and by sending this form to the Property Services Division. Form 3979 is hereby incorporated as part of the State Tax Commission procedure for acceptance of electronic and facsimile signatures by local tax collecting units. . . Upon receipt of Form 3979, the Property Services Division will release a copy of Form 3976 (showing the personal identification number issued and the signature of the individual to whom this number was issued) to the requesting party.

5. Local tax collecting units shall accept (non-expired) personal identification numbers which have been issued by the Property Services Division as electronic signatures on Real and Personal Property Statements filed electronically, unless the local tax collecting unit has not provided for the electronic filing of such statements.

Properly completed Forms 3976 filed by February 1 will be processed by the Property Services Division and personal identification numbers issued by February 15 (five days before the statutory filing deadline for Personal Property Statements). Even if properly completed Forms 3976 are received after February 1, every attempt will be made to process them by February 20. However, these forms will be processed on a first-come first-served basis with no guarantee that a personal identification number will be issued prior to February 20.” (Emphasis added)
